

TITTLE : SERVICE LEARNING FCSIT: E-MASJID PORTAL FOR KAMPUNG SEGEDUP

Date: 20 February 2020, 2.30pm-4.30pm

Day: Wednesday

Venue: Kg Segedup

The proposed project is a Phase 2 of e-Masjid portal for Kg Segedup. Phase 1 of the e-Masjid was developed under N8 Satok, with the other 10 villages. In this Phase 2, which is a continuation from the Phase 1, an enhancement will be focusing on the administrative panel. Thus, the portal will allow the admin to manage the total of collections from each tabung(tabung masjid, tabung khairat & kutipan from Amil). The admin then will be able to view the reports & statistical data by monthly/ yearly.
