

## FCSIT Postgraduate by Research Meet-up

The screenshot displays a Cisco Webex Meeting interface. At the top, there is a menu bar with options: File, Edit, Share, View, Audio & Video, Participant, Meeting, Breakout Sessions, and Help. Below the menu bar, there are several participant thumbnails. The main content area shows a presentation slide with a background image of a staircase and a white line graph. The slide text reads: "FCSIT Postgraduate by Research Meet-up" followed by "Ts. Dr Mohamad Imran Bin Haji Bandan". At the bottom of the meeting window, there are control buttons for Unmute, Stop video, Share, and a red 'X' button, along with icons for Participants and Chat.

Pandemic Covid-19 has hit everyone hard and that includes postgraduate students. For the second time this year, FCSIT has organised a meet-up and engagement session with all postgraduate by research students (MSc and PhD). The Dean and Postgraduate Coordinator chaired the session not only to give the latest update and motivate, but also to answer several queries by the students. Thank you to all PG students who attended.
