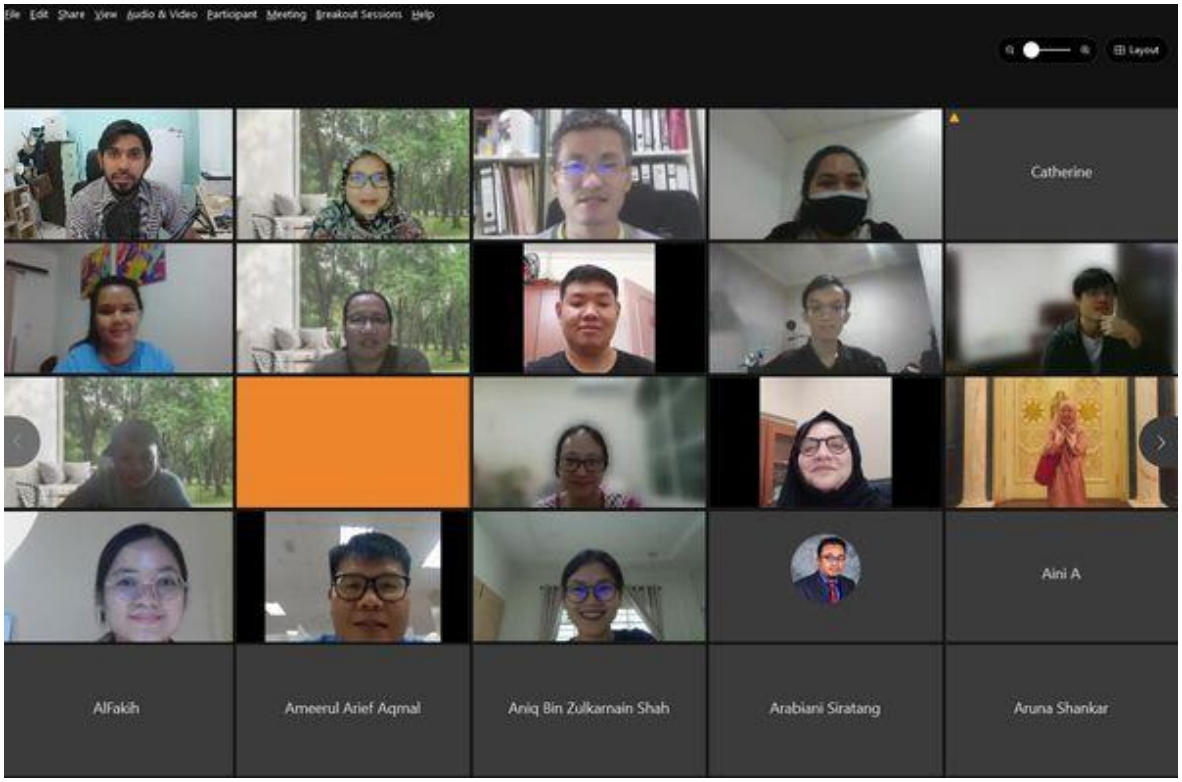
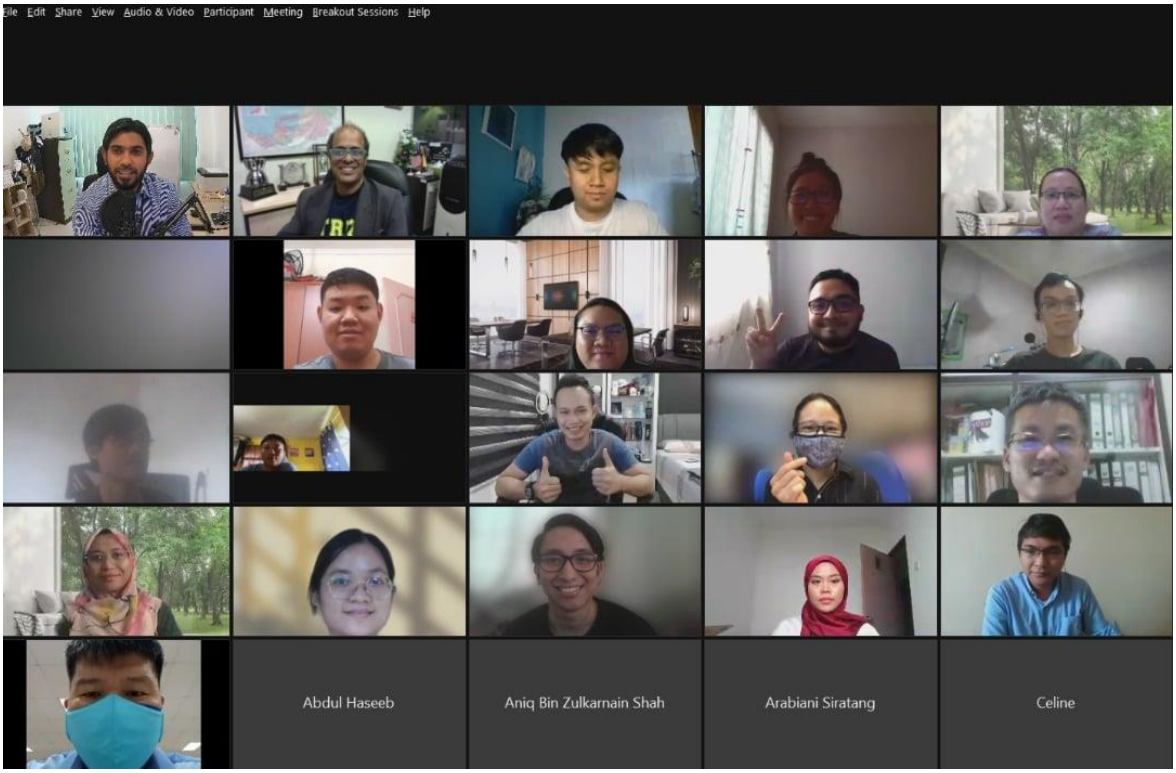
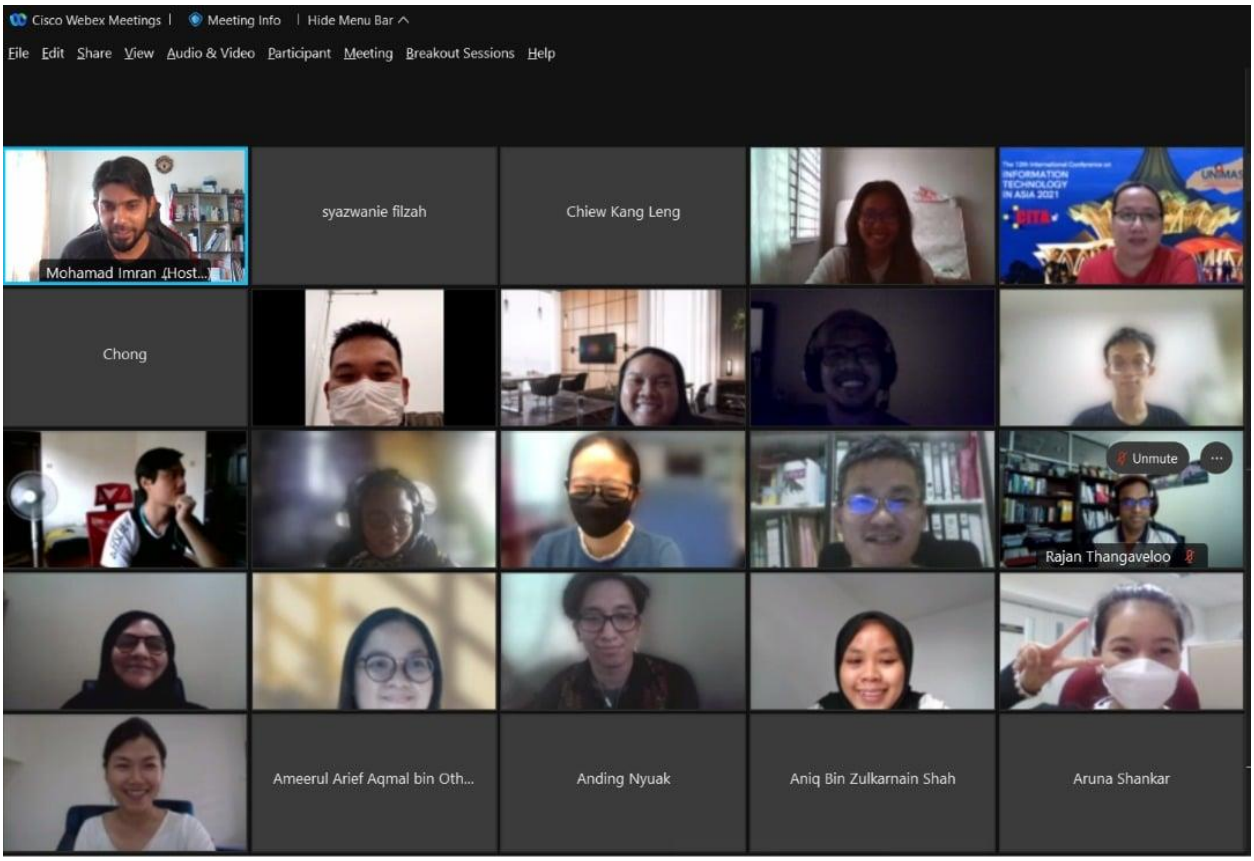
Postgraduate Talks







Doing research can be challenging without continuous guidance and sharing sessions by the expert.

We have successfully conducted a series **of Postgraduate Talks from the 29th of September 2021 to the 6th of October 2021.**

There are 3 sessions

Session 1
"Literature Review in Computer Science Area" by Associate Professor Dr Chiew Kang Leng

Session 2
"How to do Research?" by Professor Dr Narayanan A/L N. Kulathu Ramaiyer

Session 3
"Designing Your Research Methodology" by Associate Professor Ts. Dr Dayang Nurfatimah Awg Iskandar

Thank you very much to all the speakers.
To all the attendees, we hope that you benefitted from the session.
