

## Visit by Education Attaché from Iraq Embassy and CEO of Grand International Edu Group Sdn Bhd to FCSIT

Assistant Prof. Dr. Ahlam Neama Lafta Maryoush Al-Sa'adi paid a courtesy visit to the Faculty of Computer Science and Information Technology (FCSIT) on Monday 22 November 2021. Dr Ahlam was accompanied by Dr Florianna Lendai, UNIMAS Global Deputy Director for International Relations and Dato' Dr Wong Say Ho, CEO Grand International Edu Group Sdn Bhd. Dr Ahlam visited UNIMAS to have an overview of faculties and get to know educational programmes that can attract future students from Iraq and education investment of Iraq government. FCSIT Deputy Dean of Undergraduate Dr Irwandi Hipiny led the entourage for the faculty tour and presented brief information on the faculty's 5 undergraduate programmes.

UNIMAS Business School held a special discussion on Wednesday 24 November 2021 between Dato' Dr Wong and FCSIT Dean Dr Kartinah Zen on education prospects for students in China to pursue their degree in Computer Science in UNIMAS. Through his company, he has collaborated with UNIMAS for the past 12 years to bring students from China to study in UNIMAS through various programmes.

FCSIT has track record of receiving international students to study both undergraduate and postgraduate programmes. To date, Bachelor of Computer Science majoring in Software Engineering is currently the top choice for international students.
