

Digital Technology for IR 4.0 & Beyond

Date: 15-17 June 2021
Venue: Online

CAMP'21, the Fifth International Conference on Information Retrieval and Knowledge Management

CAMP'21, the Fifth International Conference on Information Retrieval and Knowledge Management is organised by [PECAMP](http://pecamp.org), the Malaysian Society of Information Retrieval and Knowledge Management. CAMP'21 is the premier international conference for the presentation of new research results and for the demonstration of new systems and techniques in information retrieval and knowledge management. The conference consists of three days of full papers, tutorials and workshops focusing on research and development in the area of information retrieval and knowledge management, as well as an industry track and social events.
