

Premier Digital Tech Institute Virtual Assessment with Malaysia Digital Economy Corporation (MDEC)

On 24th November 2021, FCSIT went through virtual assessment with Ms Pak Mei Yuet from Malaysia Digital Economy Corporation (MDEC), Mr Saeid Alizadeh from Skymics Sdn Bhd and Mdm Razzian Mat Razali from Ministry of Higher Education (MoHE) for the purpose of obtaining recognition as Premier Digital Tech Faculty and also as a Premier Digital Tech University. A Premier Digital Tech University is a university that is recognised by MDEC as a preferred university when it comes to digital technology and IT courses for tertiary education. As of now, 11 public and private universities have been recognised and FCSIT hope to obtain this recognition as our bid to continuously improve our curriculum standards.
