

8th eBorneo Knowledge Fair (eBKF8)

FCSIT wish to invite NGOs, schools, universities and the public to attend the 8th eBorneo Knowledge Fair (eBKF8) organised by [Institute of Social Informatics and Technological Innovations - ISITI](#) from 26-28 October 2021.

With the theme, Indigenous People and the Sustainable Development Goals, there will be exciting virtual workshops conducted by experts who will present their research findings on language preservation, preserving traditional knowledge, traditional practices for conservation and many more.

To participate, please register: <http://www.conference.unimas.my/.../index.php/register>

All workshops are FREE!
