

Title : An introduction to Scratch programming

16 March 2019, Saturday, 2-4pm

Location : Kpg Gita, Petra Jaya

Target : Students (secondary schools)

The training was conducted and the participants managed to complete their task (the game was designed according to their hobbies - decided in last Visit 1). There are 4 games from 4 groups. The SL students shall share the links of the games to the participants in next visit.
