

Title : The Making of Kampung Pinggan Jaya Video

10th of April 2019

Location : Kampung Pinggan Jaya

Target : 9 students and 1 lecturer

1. Brief explanation of project
2. Show the progress of website
3. Get feedback and comments on the website design and content
3. Discuss and get confirmation on the date for video shooting on gula apong process
4. Take some photos and videos on cooking gula apong
5. We helped the guy named Aaron from Vrije University, Netherlands that are working on the gamification in mathematics for kids.

Helped him in doing the survey on the interfaces

- is UI easy to understand for the kids
- were the kids able to apply the theory/formulae based on the UI given
- teach them in mathematic
