

TITLE: SERVICE LEARNING FCSIT: VISIT TO KAMPUNG BADUL, BAU

Date: 21 February 2020, 3.00pm – 4.30 pm

Day: Friday

Venue: Kampung Badul, Bau

A project visit was held at Kampung Badul, Bau represented by Madam Eaqrzilla Phang and her team last Friday. The visit was to propose an info-graphic video for Kampung Badul and promotional video for Badul Homestay. Kampung Badul is a new village in Singai area whereas previously this area is in between two villages. As the new village, not much info was available so this info graphic will be use to introduce the village. As Kampung Badul's Hall is still under construction, Badul Homestay has been use as a temporary hall for the last 2 years and is the only tourist attraction here.
