Uvarajan Murugan is presenting

Participants: You, mp3 4ever, Uvarajan Murugan, afifah mohd, Shahid Latif, JANE YONG

Brief description: The online training involved 11 students of form 3 mostly with 1 student from form 1 & 2 respectively. The content covered web based languages which is html, css & javascript. There were 6 sessions which is the introduction to web languages and demo of coding html using note pad; happy hour code using a web based coding platform (app.bsd.education) where students use html & css ; next session is using codehs.com and finally they were introduced an online game method to learn java programming (code combat). In between, there were 2 sessions of online quiz using kahoot. The session ended at 3.30pm and then, continued with the reflection session with Cikgu Chia, the sv community.
