

## Visit 1: Webex meeting

**SL Group:** PDCC Teku, SibU (Mr Abdul Rahman)

**Time & date:** 7th April 2021, 14:00 p.m. - 16.00 p.m.

**Type of project:** Online Training

**Title:** How to Use 3D Printer

### Brief description:

This project will focus on the preparing the module(s) and to conduct a training to the PDCC Staffs on how to use a 3D Printer. The 1st visit started with welcoming to all participants including SL group and representatives from PDCC Teku, SibU (Mr. Evareslyson and Mrs Qamalia). The session continues with the current situation at PDCC Teku regarding on the issue with 3D printers that they have and need a proper training session on how to use it. To respond on this issue, the SL group started to gather plenty of the requirements. These requirements will be a guideline for them to come up with proper modules on how to use the 3D printer. The session adjourned around 4pm.
