

Webex Online Meeting (Visit 1)

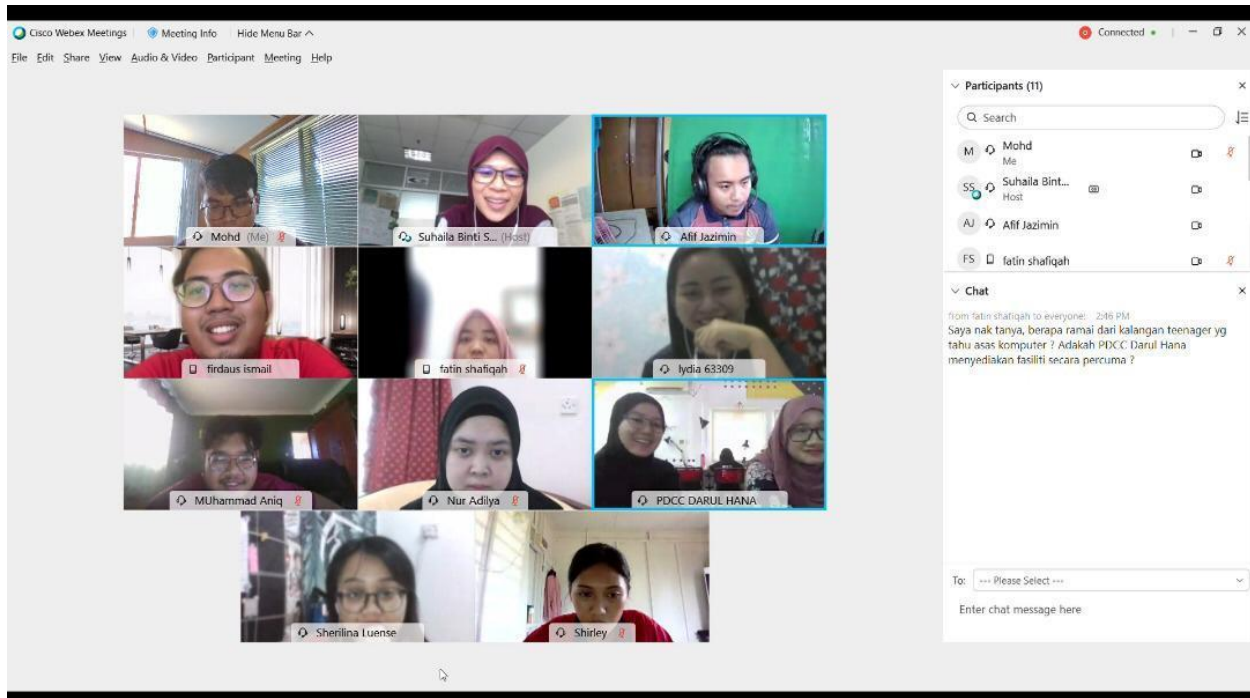

Potential Project: Training on Operating Arduino Box

Date: 1st April 2021 (2.30pm)

Day: Thursday

Community: PDCC Darul Hana, Kuching

SL Supervisor: Dr Suhaila Sae

The first visit involved the collection of information for the possible project from PDCC, Darul Hana, Kuching. Community was given 5 Arduino boxes with materials from Pustaka, where the community had a problem on how to operate them. The community requested for the group members to train them before the community can teach the kids at the PDCC.
