

Visit 1 : Microsoft Team Meeting

SL Group : PDCC Semera (Mdm Eaqerzilla)

Date & Time : 8 April 2021, 2 – 3pm

Type Of Project : Instructional Video

Title : 1)How to make short video using free editing software

2) How to use online meeting apps

Brief description :

PDCC Semera requested these two instructional video to teach how to make short video and also how to use online meeting apps. They have been asked for help by the school student who use PDCC facilities on how to make short video for their assignment. They are also requesting for a video on how to use online meeting apps as some of the staff only have basic knowledge on how to join the meeting but do not know how to create meeting room themselves.
