SL Visit 1: SK ST James Quop

Date: 26 October 2021

Time: 9.00AM - 10.30 AM

Location: Virtual Meeting via Microsoft Teams application.

Project

The group's service learning project is to develop an official website for SK ST James Quop, Padawan. As of now, SK ST James Quop has yet to have their very own website and is currently using Blogger to share the school's activities, events and as such. Therefore, the project aims to replace the current platform with an elegant and modern approach by developing a website for the school.
