SL Project: Web sites development and training to women entrepreneurship

Location: Kmapung Kuap

Time & Date: 9.30am-11.00am, 8th May 2021 (Saturday)

The top screenshot shows a Zoom meeting titled "Service learning second visit" at 01:48:27. The meeting is being recorded. The interface includes a top bar with recording status, a "Mute (Ctrl+Shift+M)" button, and a "Dismiss" button. The main area displays a grid of video feeds for participants: MUHAMMAD SYAFIQ BIN TALIB, PHANG TZER KEE, VERONICA JESSIE MARAUN, Wini (Guest), ROMARIO ANAK WILLIAM, and TEOH SHU HONG. A large circular logo with "MZ" is visible on the right side of the grid.

The bottom screenshot shows the same meeting at 44:33. The screen is shared with a "Request control" button. The main content is a screen share of the Shopee Seller Centre dashboard. The dashboard includes sections for "To Do List", "Business Insights", "Marketing Centre", and "Shopee Events". The participant grid on the right shows TEOH SHU HONG, Wini (Guest), and a "CS" button.

In this visit, the students first demonstrated how to setup a shopee account to the women representative, Madam Wini.

Then, the students demonstrated the developed web sites, collecting feedback.
