SL Project: How to Use Microsoft Publisher in Graphic Design and Crafting

Location: Kampung Sungai Mata

Time & Date: 10.00am-1.00pm, 24th April 2021 (Saturday)

Participant: 10 kids (10-15 years)

Agenda:

This training focuses on teaching participants to create a poster using MS Publisher. Among the activities were teaching them how to make a background poster, how to add text to posters and how to add a table in a poster. At the end of the training, the participants were given a task to design a Hari Raya poster
