Visit 2 (Online meeting via Google Meet for School Carnival + Thunkable)

Community: SK Lumba Kuda

Type of Project: Thunkable for Beginners (SL - School Carnival)

Time & Date: 7.30am-1.30pm, 20th November 2020 (Saturday)

A brief description of the project: The workshop taught schoolchildren from standard 4,5,6 on the basics of mobile app programming using Thunkable mobile app development. Modules were given to studenta to follow, and group activities were done to test their understanding. At the end of the workshop students were asked to develop a mobile app game.
