

Title: Hand over and training on web sites maintenance

Last visit: 14/6 -10-12.30p.m

Site: Women entrepreneurship, Kampung Quop

Activities: The aim of the workshop is to guide the local champion, Ms Wini to do a new page for product promotion.

The training covers insert images, text and button which link to the product, linking to social media and shoppe.

During the training, students train Ms Wini on how to maintain the dash board, and how to design a page. Then the students proceed to train on maintaining the website page.

A user manual is handed over to Ms Wini at the end of this visit.

Finally, a sharing session is conducted among students and Ms Wini.
