SULAM is an initiative lead by MoHE to address the Shift 1 of Malaysia Education Blueprint 2015-2025 (Higher Education). In SULAM, the student community service activities will be integrated into an academic course, utilises the service experience as a platform for both academic learning and civic learning. Due to the COVID-19 outbreak in March 2020 last year, MoHE has encouraged all Universities in Malaysia to implement eSulam, an implementation of SULAM via online. Since the implementation of eSULAM is still in a small number at UNIMAS, thus, PPPA hosted a knowledge sharing on the implementation of eSULAM by few faculties in UNIMAS. The knowledge sharing session was took place on 15<sup>th</sup> March 2021, Monday, at 9:00 am – 12:00 noon via Zoom platform. The three (3) panels for the session were:

1. Dr. Rafeah binti Wahi from Faculty of Resources Science and Technology (FRST)
2. Madam Rosita binti Mohamed Othman from Faculty of Computer Science and IT (FCSIT)
3. Dr. Suhaila binti Saeed from Faculty of Computer Science and IT (FCSIT)

The target audience for the session were the SULAM coordinators in UNIMAS; and there were about 36-40 of them attended the session. The objectives of the session were:

1. To brief the SULAM coordinators about the eSULAM as suggested by JPT.
2. To provide a sharing session with the other coordinators on the implementation of eSULAM at FRST and FCSIT.

From the session yesterday, PPPA obtained positive feedbacks from the audiences as the session provide insights for them to implement the eSULAM for their course/ programme.
