*Special talk for students taking TME2413 Object Oriented Software Development this semester

FCSIT UNIMAS | www.fcsit.unimas.my

FCSIT Tech Industry Talk is back with another tech talk by industry expert. This time, we will have Mr Wong Shin Jie, Senior Manager at ViTrox Berhad who will be talking about trends in Artificial Intelligence specific to Software Development. He has worked in the Machine Vision Industry for 13 years and has wide experience in Machine Vision, Automation & SMT Inspection. Currently, he is the Project Manager of ViTrox 3D AOI, leading a group of R&D experts in developing new technologies.

All students are invited to join. This talk is a special lecture session for students undertaking TME2413 Object Oriented Software Development and all Software Engineering students. Attendance will be taken.

Mark your calendar to attend the talk:
Wednesday 11 May 2022
4-6pm
